

Canterbury Durite Dashing Spar

Technical Data Sheet

PACK SIZE

Available as Maxipack

DESCRIPTION

3mm-8mm multi-coloured calcined flint

USES

Dry dashing, solar reflective roof dressing, pre-cast panels, epoxy based coatings, slip resistant floor finishes, exposed aggregate paving, and rolled dressing for drives and pathways.

This product is suitable for fish ponds or aquariums. We recommend that this product is re-washed in clean, fresh water prior to use.

Decorative aggregates are natural products and variations in size and colour may occur due to geographical and processing variables.

COVERAGE

When used as dashing for walls the product of one Maxipack covers approximately 1.75m²

HEALTH AND SAFETY

Please refer to Material Safety Data Sheet for full information.
